

Stewardship & Alignment with the Lord: Preparing for the Great Wealth Transfer

By Holy Grace Girl

We are in a divine season where God is shifting resources — a great wealth transfer from the hands of the wicked to the righteous (Proverbs 13:22). But to receive what's being released, we must first walk in alignment with the Lord and live as faithful stewards of what He has already placed in our hands

Stewardship is not just about money — it's about managing your time, talents, and heart in a way that honors God. When you align your life with His Word, He can trust you with more.

Scripture Foundation

"A good man leaves an inheritance to his children's children, but the wealth of the sinner is laid up for the righteous." — Proverbs 13:22 (KJV)

"Moreover it is required in stewards, that a man be found faithful." — 1 Corinthians 4:2 (KJV)

3 Ways to Align Yourself with the Lord for This Season

1. Surrender Your Will Daily Alignment starts in the heart. Ask the Holy Spirit each day, "Lord, what do You desire of me today?" True stewardship means letting Him lead every area of your life — your decisions, your giving, your business, and your relationships.

2. Steward What You Already Have

Be faithful with what's in your hand — your job, your gifts, your influence. When you manage small things well, God releases greater responsibility and blessing. (Luke 16:10)

3. Sow in Faith & Obedience

Sowing isn't only financial — it's acts of obedience. When God prompts you to give, to serve, to forgive, or to speak life — do it! Those acts align you with His flow of favor and open heaven's supply over your life.

Closing Prayer

Lord, help me to walk in alignment with You. Teach me to be a faithful steward over all You've placed in my care. I receive divine wisdom, favor, and increase as I walk in Your will. Let the wealth transfer find me faithful, positioned, and ready. In Jesus' name, Amen.

For you there is provision.....he gave it to me and I'm sharing a way into the Wealth Transfer
